

Cassette 1000

Our longest Opti-myst® cassette, spans 3 feet (1 m) and can be connected in a series of cassettes for dramatic linear installations impossible to achieve with gas fireplaces. For the first time these Opti-myst fires can be plumbed to the water supply – removing the need to regularly fill up the bottle. These cassettes can also be connected in series, giving greater flexibility to designs. To further enhance the experience, the cassettes have added sound effects which offer the warming atmosphere of a crackling blaze.

- Enhanced Opti-myst cassettes
- Realistic Opti-myst flame and smoke effect
- Can be plumbed to water supply or bottle fed
- Can be connected in series to other 1000 cassettes
- Fully variable flame and smoke effect
- Aesthetic effect*
- Adjustable sound
- LED glowing log bed
- Sound effect of crackling logs
- Remote control
- (CAS1000) Dimensions (mm): 240h x 1017w x 354d

Model#	C1000
Dimensions (mm)	240h x 1017w x 354d
Framing dimensions	N/A
Wattage (watts)	400
Replacement Warranty	2yr
Heat Settings	N/A
Thermostat Control	N/A
Overheat Protection	N/A
