- Heat Direction selection option
- 5 year domestic Warranty

2.0kW Micathermic Column Heater	
Model	CDE2ECC
Heat Output (kW)	2.0kW
Dimensions (w x d x h mm)	250 x 614 x 605
Voltage / Frequency	~230-240 / 50Hz
Colour / Finish	White & Grey
Climate Control	Yes
Heat Settings	NA
Thermostat	Yes
Timer	24-hour
Safety tip over switch	Yes
Warranty	5 years

Utilising both radiant and convective heat with the heating element encased in a thin sheet of mica allows the room to heat up very quickly. Dimplex is the only brand to feature "Heat Direction Selection": choose from the 3 heat direction options to direct the heat where you need it, increasing efficiency. This also allows Dimplex Micathermic heaters to be placed closer against walls and furniture without the risk of overheating them.
